PROFILE

About Me

I'm an IT student with hands-on experience in Arduino and embedded systems. I enjoy combining software and hardware to build practical projects and deepen my understanding of how technology works.

WORK EXPERIENCE

Salesman

Family-Owned Kitchenware Shop, 20m Street, Havalan - Erbil

- Develop and execute comprehensive marketing strategies and campaigns that align with the company's goals and objectives.
- Lead, mentor, and manage a high-performing marketing team, fostering a collaborative and results-driven work environment.
- Monitor brand consistency across marketing channels and materials.

Cashier

Local Market - Feature City, Erbil

- Handled daily transactions, managing both digital payments and physical cash accurately.
- Provided customer service in a busy retail environment.
- Maintained proper records and ensured the cash drawer balanced at the end of each shift.

Metalwork Assistant

Family Business - 40m Street, Erbil

- Since the age of 14, I've helped assemble and sell custom metal doors and windows, gaining hands-on experience in welding, fabrication, and customer service.
